Please help follow the following procedures until further notice:

Below you will read some of our health and safety procedures moving forward. Please help follow them so we can continue to operate smoothly!

1. All dancers and staff will be temperature checked upon arrival and will receive hand sanitizer when entering the room as well as when they exit. Anyone who displays a fever of 100.4 or higher will be sent home immediately. PLEASE do not send your child to dance if they are displaying any Covid-like symptoms!
2. All dancers must wear a mask upon arrival and may place it in dance bags on designated markings when dance class starts. If at any point they need to use the restroom or when leaving, masks must be worn!
3. Our lobbies, dressing rooms and homework areas are currently closed until further notice. Please have your child come dressed and ready for class. They are allowed to have one dance bag with them in their room.
4. All touchable surfaces in the dance rooms and restrooms will be wiped down and sanitized in between each class.
5. We will not be holding on to any lost and found items at this time. Please make sure your dancer has everything that belongs to them when leaving for the night.
6. ONE parent may remain in the lobby of a dancer ages 5 and under and masks must be worn.
7. The mall is currently closing at 7:00 pm. Please read the following thoroughly:
 - Any classes that start at 7:00 or later, teachers will pick students up at the door, escort them to class, then escort them back down to parents at the main entrance.
 - If your dancers class starts BEFORE 7, but ends AFTER 7, a parent may wait for their child close by and exit the mall with them.
 - Mall restrooms will NOT be available for use after the mall closes.

We cannot thank you enough for your continuous support and dedication to Limelight, especially through these very different times. We are all in this together and appreciate your cooperation when it comes to our new procedures. If you have any questions about any of the above, please reach out to one of your teachers!
